Scientific Illustration (all grades)

Computer Graphics (all grades)

Theme

Exploring the Biological Diversity of Stellwagen Bank National Marine Sanctuary

Stellwagen Bank is one of only a few ocean and Great Lakes areas designated as National Marine Sanctuaries. This treasured place within the Gulf of Maine is located just off the Massachusetts coast at the mouth of Massachusetts Bay. Historically, its fish stocks supported the growth of the nation, while its whales now enhance the region's ecotourism industry. In addition to its fishes and whales, Stellwagen Bank National Marine Sanctuary is renowned for its natural productivity and biological diversity, which includes a wide variety of seabirds and invertebrates. Students are challenged to explore the array of sanctuary species and depict one or more animals in their artwork.

2023 MARINE ART CONTEST

Massachusetts Marine Educators, Stellwagen Bank National Marine Sanctuary, and co-sponsors invite students in grades K-12 to enter the free 2023 Marine Art Contest. The theme is “*Exploring the Biological Diversity of Stellwagen Bank National Marine Sanctuary.*” Art can depict one or more representative species, show a predator-prey relationship, or illustrate diverse species in a sanctuary habitat. Judges prefer that the animals be depicted within the sanctuary, although images portraying species elsewhere in their natural ranges are acceptable.

REQUIREMENTS

- ❖ All submitted works must be entirely original works created by the student.
- ❖ Make sure that artwork depicts species that are found in Stellwagen Bank National Marine Sanctuary, which is in the Gulf of Maine just off the Massachusetts coast.
- ❖ Entries should be submitted as high-resolution digital images – jpg or tif formats preferred but high-resolution PDFs will also be accepted.
- ❖ White, non-glossy paper is recommended — please be careful in scanning or photographing art to avoid glare.
- ❖ Original photographs may be submitted in the computer graphics division.
- ❖ Type your answers in the fillable pdf entry form or put your answers into the text section of the email to which you attach your submitted art. Answer all questions on the form. Please be sure to include the common and/or scientific name(s) of the animal(s) depicted in the artwork. Attach the artwork file(s) and entry form to the email.
- ❖ Home addresses will be used for delivery of awards, if selected. Email addresses of parents or guardians, and phone numbers will be used for correspondence purposes. For all students under age 18, a parent or guardian must approve the submission.
- ❖ Students are limited to two entries. Submit each entry to stellwagen@noaa.gov
